

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Public Hearing to Consider Reimbursement Agreement #RA-02-01 for Public Improvements for Richards Ranch, Tract No. 2636, and Thayer Ranch, Tract No. 2850

MEETING DATE: April 3, 2002

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council conduct a public hearing to consider Reimbursement Agreement #RA-02-01 for Public Improvements for Richards Ranch, Tract No. 2636, and Thayer Ranch, Tract No. 2850.

BACKGROUND INFORMATION: The Richards Ranch subdivision is located west of and adjacent to Cherokee Lane, north of Harney Lane, south of the existing Johnson Ranch development and is adjacent to a future school/park site on the west. The Thayer Ranch subdivision is immediately west of the Richards Ranch subdivision, south of the future school/park site and north of Harney Lane. The subdivision locations are shown on Exhibit 1.

Although the developments had separate tentative and final subdivision maps, the developer, Park Place Development, LLC (R. Thomas Development and Tokay Development, Members) constructed the subdivisions as one project. Subdivision improvements included all public improvements within the subdivision boundaries as well as the northerly extension of Bluejay Way, the extension of water, wastewater and storm drain lines through adjacent parcels to the west to Stockton Street, and the installation of street frontage improvements along the future school/park site on Bluejay Way and Culbertson Drive. Portions of the public improvements installed by the developer benefit the future park and school sites and neighboring properties hereafter identified as Arcadia Place (APN 062-290-31), the Neuschaeffer Property (APN 062-290-17), and Miller Property (APN 062-290-14 and 37 and APN 062-290-38). The benefiting properties are shown in Exhibit 1.

The developer has requested a Reimbursement Agreement and establishment of an area of benefit in conformance with Chapter 16.40 of the Lodi Municipal Code (LMC) for those improvements that benefit the neighboring properties. Reimbursement to the developer for the improvements for the properties owned by the City (park site) and Lodi Unified School District (LUSD) was accomplished during the construction of the subdivision and those properties are not included in the area of benefit.

The property owners within the area of benefit have been notified. The developer has paid the appropriate application fee and the fees to cover the cost of recording the Reimbursement Agreement. A copy of the Reimbursement Agreement, including itemized costs for the reimbursable improvements, is attached as Exhibit 2.

In conformance with LMC Section 16.40, staff recommends that Council conduct a public hearing to establish an area of benefit and reimbursable costs to recover the cost of public improvements benefiting the parcels known as Arcadia Place (APN 062-290-31), the Neuschaeffer Property (APN 062-290-17), and the Miller Property (APN 062-290-14 and 37 and APN 062-290-38). The reimbursable costs for each property are shown on Exhibit B1 and B2 of the attached Reimbursement Agreement.

Page 2

Pursuant to LMC Section 16.40.50.A.3, the reimbursable amount shall be recalculated annually to include an amount attributable to interest using the Engineering News Record (ENR) 20 Cities Construction Cost Index. Similar adjustments to the reimbursable costs will be made each January until payment is received. In the event that the benefiting properties shown on Exhibit 1 develop, the City will collect the appropriate amounts from the developers of the benefiting property and reimburse the developer. The charges for a benefiting property shall be paid in full at the time of the first development on that property.

FUNDING: Applicant fees and reimbursement fees collected from future development.

RICHARDS RANCH, TRACT NO. 2636 AND THAYER RANCH, TRACT NO. 2850

AGREEMENT # RA-02-01

THIS AGREEMENT is made by and between the CITY OF LODI, hereinafter referred to as "City", and PARK PLACE DEVELOPMENT, L.L.C., a California Limited Liability Company, hereinafter referred to as "Applicant".

RECITALS:

WHEREAS, Applicant is the developer of those subdivisions titled Richards Ranch and Thayer Ranch, generally located west of Cherokee Lane and north of Harney Lane, and has entered into an Improvement Agreement with the City dated October 4, 2000, to construct public improvements needed to serve the development, and

WHEREAS, the Applicant has constructed certain public improvements (hereinafter "Improvements"), which include installation of asphalt concrete pavement, concrete curb, gutter, and sidewalk, water pipe, wastewater pipe, storm drain pipe, and other miscellaneous and related items, that will serve additional properties that are designated and shown on the plan attached and labeled Exhibit A to this agreement and indicated thereon; and

WHEREAS, the Applicant has filed a request with the Public Works Director in conformance with Chapter 16.40 of the Lodi Municipal Code requesting reimbursement for those improvements which benefit other properties or would be required of those properties upon development, and

WHEREAS, the property owners of those properties shown in Exhibit A have been notified and the City Council has conducted a public hearing regarding the Applicant's request for reimbursement.

NOW THEREFORE, in consideration of the mutual covenants and conditions herein contained and pursuant to Government Code Sections 66485 through 66489 and Title 16 of the Lodi Municipal Code, it is hereby agreed between the parties as follows:

1. The amount of the reimbursable costs due to the Applicant includes construction costs less any applicable credits plus ten percent (10%) for administrative and engineering design costs, engineering plan check fees (1.5%), engineering inspection fees (2.5%) and the reimbursement application fee (1%). The consultant fee incurred by the City in conjunction with the preparation of the reimbursement agreement is reimbursable to the City. All reimbursable costs are shown in attached Exhibits B1 and B2.

2. The reimbursable amount shall be recalculated annually to include an amount attributable to interest, using the Engineering News Record (ENR) 20 Cities Construction Cost Index. On uncollected reimbursements, the reimbursement rates shall be calculated in January of each year beginning January 2003 by the following formula:

$$(\text{ENR Jan. 1 of current year}) \div (\text{initial ENR}) \times (\text{Balance due Jan. 1 of prior year less payments made during the previous year})$$

The initial ENR index for this agreement is 6462. The initial reimbursable amounts are listed below and itemized on Exhibits B1 and B2.

3. In the event that the benefiting properties shown on Exhibit A develop, the City shall collect the appropriate charges from the developers of the benefiting property and reimburse the Applicant or the Applicant's heirs, successors or assigns and the City for a period of fifteen (15) years. The charges for a benefiting property shall be paid in full at the time of the first development on that property.

4. The Applicant shall pay the City \$687.65 for the preparation of this agreement prior to approval and recording of this agreement. This fee is based on one percent (1%) of the reimbursable construction costs, excluding engineering, administrative and other costs.
5. Upon each collection of reimbursement charges, the portion of the reimbursement charges attributed to the Consultant Fee shall be reimbursed to the City and an administrative charge shall be deducted from the reimbursement due the Applicant and retained by the City for administering the reimbursement provisions of this agreement. The administrative charge shall be established from time to time by resolution of the City Council. As of the date of this agreement, the current administrative charge is \$60.00.
6. This agreement shall inure to the benefit of the heirs, successors and assigns of the Applicant. The City shall mail the reimbursement to the last address of the Applicant on file with the Public Works Director of the City. In the event a reimbursement is returned or unclaimed after two (2) years from the date of mailing, the amount of the reimbursement shall revert to the City and be deposited in the appropriate development impact mitigation fee fund.
7. All correspondence and payments herein required shall be in writing, and delivered in person or sent by registered mail, postage prepaid.

Correspondence and payments to City shall be addressed as follows:
